## Take a walk on the wild side

While visiting China would be the ultimate way to explore its culinary treasures it is slightly out of the way. However, this does not mean that those who visited or grew up there are left to their memories to remember how authentic Sichuan cuisine tastes. At Taste of Sichuan, we have made an effort to reconnect travelers with their favorite dishes by highlighting them on a special menu. For those that never had an opportunity to try, it provides an easy way to leave the comfort zone and to be bold.

So regardless of whether you want to reconnect, win bragging rights, or try out something new you came to the right place. Relax, sit back and enjoy and ... take a walk on the wild side.
